IMPORTANT NOTICE

Over the past few years we have seen a big increase in new teams attending our carnival, last year 2014, we had six new teams enter.

We appreciate the increase of teams, but we are now at a point where logistically we could not handle an increase of many more new teams. We only have a limited number of ovals available, restricted number of time slots available on the draw and a shortage of referees to cover the Sunday draw.

Whilst preference will always be given to teams that regularly attend our carnival we would urge all those teams to confirm your nomination for this year's carnival ASAP so that we can assess how many new teams we can accept.

We would encourage teams to pay their nomination fee when they confirm their nomination. This can be done via direct deposit or cheque made payable to Coolah Touch Football. If you pay by direct deposit please put your team name as a reference.

Yours Sincerely

Wayne Burgess
President
Coolah Touch Football Association
