INTRODUCTION

New South Wales Touch Association (NSWTA) has a firm view that our sport is to be inclusive and respectful of all stakeholders and participants. We will provide the requirement for a safe and harassment free environment for all participants. NSWTA is committed to ensuring all parties be they Referees, Coaches and/or Players and Officials are afforded respect and courtesy for their roles within the game by and to each other.

This protocol comes as a result of a joint meeting and input from some of the games top end Referees, Coaches and Players who share the concerns of the NSWTA in the level of abuse that has crept into the game. All agreed that there is a need to modify behaviours in relation to abuse of referees and officials. This protocol applies to all of those involved in a NSWTA tournament including players, coaches, managers, officials and spectators.

PURPOSE

This protocol seeks to ensure that all stakeholders in our game, Referees, Coaches and Players provide purposeful respectful engagement for the enhancement of the game itself. It is to aid the NSWTA in following the purpose of the provision of an inclusive, safe and fair sporting environment that will enhance the attraction of an individual to become a Referee, a Coach or a Player.

POLICY

All members be they Referees, Coaches, Players, Office-bearers and/or spectators have an obligation to be conversant with this protocol and both the NSWTA and TFA member Protection Policy. This protocol supersedes the previous protocol referred to as 'Zero Tolerance Policy'.
