To All NSWTA Affiliates
From Daniel Rushworth- Sport Manager
Subject 2015 Representative Events: Player Fees

As you would be aware the NSWTA moved in to an individual player registration fee for their Events. The primary focus of this move was to ease the burden on the volunteers at grass roots level in relation to collection of fees for representative events.

To continue this move in aiding our Affiliate volunteers the NSWTA wishes to advise of the following player registration levies for the remainder of their 2015 events.

It is hoped that this will assist Affiliates in their planning and explaining to their members what the associated costs cover. When calculating the fee is it important to note that the associated team referee fees with accommodation are inclusive of this cost.

If the associated Referee is not accommodated by NSWTA their club may be entitled to a reimbursement of this accommodation cost.

In summary please see below the associated levies for each of the upcoming NSWTA Events

- 2015 Vawdon Cup (\$68.57 per player)
 - Referee Accommodation Rebate: Nil
- 2015 Country Championships (\$85.71 per player)
 - Referee Accommodation Rebate: \$85.00
- 2015 State Cup (\$89.86 per player)
 - Referee Accommodation Rebate: \$125.00

N.B Each team is required to have the minimum of 14 players. If this is not possible the Affiliate is liable for the shortfall in player registration levies.

For example with the Country Championships each player less than the 14 a team has, the Affiliate would need to contribute \$85.71 post event. This is actually no different from the previous team fee system utilized.

For further information or questions please let me know.
