New South Wales Touch Association is pleased to announce that 235 teams and over 300 referees will once again be making the annual pilgrimage to Port Macquarie for the running of the 2019 NSW Touch Football State Cup.

The draft draw has now been released and can be viewed via the “NSW Touch” Smart Device App which is available for FREE from the Apple App Store and Google Play for Android devices.

In a continuation of past years, there are specific competitions which have several tiers in where Friday is the preliminary day, Saturday the graded day and Sunday the finals day. In many of these competitions, this includes a Championship Series, a Bowl Series and a Plate Series. Alternatively, to this, there are also competitions which have a regular round-robin competition followed by the finals series.

To assist in the event experience for all participants, the below information allows them to understand the competition structure of each division followed by the relative progressions and final series.

To view the full Competition Structure & Progression charts for all divisions, please [click here](#)

Final details will be available on the NSW Touch App, Facebook Page and Website and these are your key sources of information for all participants in this event.

Please note that the draw is subject to change.

Competition Structures and Progressions

Men’s Open A Series

Competition Notes: Men's Open A Division has been separated from the Men's Open B and placed in two pools based on seedings. Men's 20s Series

Competition Notes: The format for the 2019 State Cup follows the concept and structure of the past few years in the Opens divisions. These changes keep the intent of the event format so that it remains a true State Championship, whilst taking into consideration feedback over the past two years and the rationalisation of the Senior Divisions. For consistency purposes this is replicated throughout the 20's where nominations are 16 teams or over and Senior Divisions where nominations are 18 teams or over. Importantly it also looks to place teams of equal ability against each other in the divisional phase of play. To accomplish this we have had to seed all teams in the event. These seeding's were based on the 2018 State Cup results within this division, Team Rosters provided by the Affiliates within this division. Grand Final: Winner SF1 vs Winner SF2 @ 2:25pm on Field 1

Senior Mixed (30s) Series

Competition Notes: The format for the 2019 State Cup follows the concept and structure of the past few years in the Opens divisions. These changes keep the intent of the event format so that it remains a true State Championship, whilst taking into consideration feedback over the past two years and the rationalisation of the Senior Divisions. To accomplish this we have had to seed all teams in the event. These seeding's were based on the 2018 State Cup results within this division, Team Rosters provided by the Affiliates within this division. As with only 9 teams in this division,

teams have been placed into one Pool and will progress to a final series or face elimination from the event.

Men's Masters (40s) Series

Competition Notes: The format for the 2019 State Cup follows the concept and structure of the past few years in the Opens divisions. These changes keep the intent of the event format so that it remains a true State Championship, whilst taking into consideration feedback over the past two years and the rationalisation of the Senior Divisions. For consistency purposes this is replicated throughout the 20's where nominations are 16 teams or over and Senior Divisions where nominations are 18 teams or over. Importantly it also looks to place teams of equal ability against each other in the divisional phase of play. To accomplish this we have had to seed all teams in the event. These seeding's were based on the 2018 State Cup results within this division, Team Rosters provided by the Affiliates within this division. As with only 16 teams in this division, teams have been placed into two pools and will progress to a final series or face elimination from the competition.
