Approved touch shoes must be worn in accordance with rules 4.5 & 4.6 of the 8th Edition TFA rulebook. Please note that predominantly white shirts are not allowed (to avoid confusion with the referees). Only moulded football boots are allowed to be worn, no metal studs or cleats.

17. COACHING POSITIONS

The only people that are allowed behind the score line is the Coach, Assistant Coach or Manager. A Coach may position themselves at the end of a field. If they are at the end of the field, they must remain at least five metres behind the dead ball line. Where a fence, spectator line or advertising signage prevents this they must remain behind the fence or advertising signage.

Any Coaching/Management staff at the end of a playing field cannot issue any verbal or physical commands directly to the team they are observing and can only communicate to the team or other coaching/management staff in the interchange area by returning to the interchange area or by use of electronic communication equipment. Any person found to be disregarding this tournament rule will be asked to return to the interchange area. Coaches are reminded that they are under the jurisdiction of the Tournament Conditions and the referee regardless of being either in the interchange area or at the end of the field.

Failure to comply with this will result in individuals being asked to leave the venue for the duration of the game and may result in further action.

18. COACH / REFEREE COMMUNICATION

Coaches / Players / Managers are not to approach the referees who officiate at their games. Any enquiries should be submitted to the Game Development Officer.

19. PROTEST / DISPUTES

Protest and dispute matters will be heard and determined by the Game Development Officer.

20. DISCIPLINE

It is the responsibility of each school to ensure that all their players, officials and teams behave themselves during the competition. Any complaints will be dealt with by the Game Development Officer in an appropriate manner.

21. SUSPENSIONS

Any player sent from the field for the remainder of the game will receive an automatic two (2) match suspension unless the Game Development Officer considers further action. Any player who receives three (3) 'periods of time' over the competition will receive an automatic two (2) match suspension unless the Game Development Officer considers further action.

Any player who is given a 'period of time' more than once in any one (1) game, will also receive an automatic two (2) match suspension. A two (2) match suspension is to be served on the following two (2) games in which the team actually plays. Byes do not count as a game played. A team that wins by a forfeit will count, however a team losing by forfeit, will not.

22. FORFEITS

Due to the heavy schedule, games must start on time. Teams must be in attendance at their playing fields five (5) minutes before the commencement of their match.

It is the responsibility of each captain to report to the referee so that the toss of the coin can be affected without loss of time.

If a team is not at the field at the advertised starting time of the game, the attending team can be awarded the winning of the toss. The offending team will receive a maximum of five (5) minutes from the commencement of the game (siren/whistle) to position the team on the field and be ready to commence play.

If the offending team is not in attendance after the five (5) minutes has expired the game will be deemed a forfeit and the non-offending team will be awarded a 5 - 0 win and three (3) competition points. The offending team will receive a score of 0 - 5 and no competition points. The offending team will be penalised one touchdown after the first minute and one touchdown every minute thereafter up to five (5) minutes, and the time will be kept by Game Development Officer.

Forfeit Affected Positions

If two or more teams finish level on competition points and any of those teams were involved in a forfeited match in the Round Robin Series, the forfeit may cause some obvious problems. When a non-offending team has been involved in a forfeit, the 'for and against' from that forfeit will not count in final calculations. Similarly, for the other teams that finish on equal points, they will have the 'for and against' from that forfeited team deducted from their total. For teams involved in competing against teams on two occasions during the tournament, the calculations for the benefit of this rule will be the corresponding game in each round.

Example:

Team C - Forfeits to Team A in game three (first round)

Team A - Wins 5 - 0 on forfeit
 Team B - defeats Team C 5 - 1 in game four (first round)

If after the Round Robin Series, the 'for and against' is

Team A - 50 for and 10 against (plus 40)

Team B - 60 for and 20 against (plus 40)

The above results would be deducted first, and the result is: -

Team A - 45 for and 10 against (plus 35)

Team B - 55 for and 19 against (plus 36)

Therefore, Team B would gain the higher position.

For the purpose of keeping record, if a forfeit occurs, the non-offending team will be rewarded with the 5 - 0 win and three (3) competition points. The offending team will receive no competition points and a score of 0 - 5 against their record. This section only deals with forfeited affected positions for non-offending teams.

The offending team that causes the forfeit will have their calculations treated as normal as they have been penalised by receiving no competition points for the match they forfeited. After the above calculations are made and teams are level on competition points we shall apply Section 37.

NOTE: - Forfeits for any reason in the final series negate the forfeiting team's right to participate further in the tournament.

23. TOURNAMENT CONTROL

The Game Development Officer will be in charge of all matters relating to the tournament. Any matters not covered in these conditions or guidelines will be determined by the above official and their decision will be final.

24. RULES

As per the 8th Edition Rule Book which can be downloaded from the NSW Touch Football Website www.nswtouch.com.au

25. PRIZES

The winner of the event will receive medals and a plaque for the school.

26. DRAW FORMULA

All teams will be scheduled a **minimum** of 4 matches.

27. DURATION OF MATCHES

Matches will be twenty (20) minutes straight (touchdown turnaround). In the event of a draw in the finals series the Drop off System will be used to decide the winner.

28. DETERMINING POSITION FOR FINAL PLACINGS

If teams are equal on points at the completion of the rounds 'for and against' will be used to decide the higher team.

Differences

The difference is determined by subtracting the total of Touchdowns scored 'against' from the number of Touchdowns scored 'for'. The team with the best difference will obtain the higher position.

Example:

Team A scores 50 for and 10 against

Team B scores 40 for and 10 against

By subtracting the 'against' from the 'for', Team A would be 'plus 40', whilst Team B would be 'plus 30'. Team A would therefore obtain the higher position.

If teams have the same 'difference' the percentage system would then apply.

Percentages

If this system is used, it is easily explained that if the difference is in the 'plus' situation, the team with the least number of Touchdowns scored against them would obtain the higher position. However, if the 'difference' is in the 'minus' situation, the team that has scored the most Touchdowns (for) would obtain the higher position.

The percentage system is calculated by placing Touchdown 'for' over Touchdowns 'against' and multiplying by 100 over 1.

Example:

$$\text{Team A} = \frac{50}{10} \times \frac{100}{1} = 500\% \qquad \text{Team B} = \frac{60}{20} \times \frac{100}{1} = 300\%$$

Team A would obtain the higher position.

Round Game

If the above systems are unable to decide the outcome, the round game result will be used.

Drop Off

If all the above systems are unable to decide the outcome, the Drop off System will be used. (See Section 36).

29. FINAL SERIES

The final series will be determined by the Game Development Officer and advised at the release of the draw; 1 week prior to the event.

30. MEDICAL

A qualified First Aid Officer will be provided by NSW Touch Football at this event.

32. FIELD LAYOUT

A field layout will be distributed at the Teachers Meeting.

33. DROP OFF PROCEDURE

Drop Off rules are as follows:

24.1 Should a Winner be required in drawn matches; the following Drop-Off procedure is used to determine a Winner.

24.1.1 Each Team will reduce their on-field Team to four (4) players and within 60 seconds take up a position to restart play from the Halfway Line, defending the same end of the field as at the End of Play.

24.1.2 The Drop-Off commences with a Tap from the centre of the Halfway Line by the Team that did not commence the match with Possession.

24.1.3 The Drop-Off will commence with a two (2) minute period of extra time.

24.1.4 Should a Team be leading at the expiration of the two (2) minute period of extra time then that Team will be declared the Winner and Match complete.

24.1.5 Should neither Team be leading at the expiration of two (2) minutes, a signal is given and the match will pause at the next Touch or Dead Ball. Each Team will then remove another player from the Field of Play.

24.1.6 The Match will recommence immediately after the players have left the field at the same place where it paused (i.e. the Team retains Possession at the designated number of Touches, or at Change of Possession due to some Infringement or the sixth Touch) and the Match will continue until a Try is scored.

24.1.7 There is no time off during the Drop-Off and the clock does not stop at the two (2) minute interval.

24.1.8 Substitution during the Drop-Off is permitted in accordance with normal Interchange Rules.

24.2 Mixed gender Teams may have no more than (2) males on the field during the Drop-Off. 24.2.1 In the case of a male player serving time in the Sin Bin at the commencement of the Drop-Off the offending Team will start with no more than one (1) male on the field.

24.2.2 Where a male player has been dismissed for the remainder of the match, the offending Team will be permitted to have no more than one (1) male on the field for the duration of the Drop-Off.

24.3 At the commencement of the Drop-Off, if there is a player serving time in the Sin Bin and is yet to complete the required time, their Team commences the Drop-Off with one (1) less player on the field than their opposition and continues to play with one (1) player less until the Sin Bin period has been completed.

24.4 At the commencement of the Drop-Off, if a Team has had a player dismissed for the remainder of the match that Team continues to play with one (1) player less than the opposition Team for the duration of the Drop-Off.

24.5 For the avoidance of doubt for clauses 24.3 and 24.4 the non-offending Team will retain a numerical advantage on the Field of Play during the Drop-Off.

The decision on which player will drop off is entirely up to the team management, that is the captain, coach etc.

34. BLOOD BIN

Any player with a bleeding cut or abrasion is to leave the field immediately and have the cut or abrasion cleaned and covered. At this time, any blood-stained clothing must also be either cleaned or replaced.

If the player does not leave the field immediately, the Referee will stop the game and ask the player to leave the field (normal substitution rules apply).

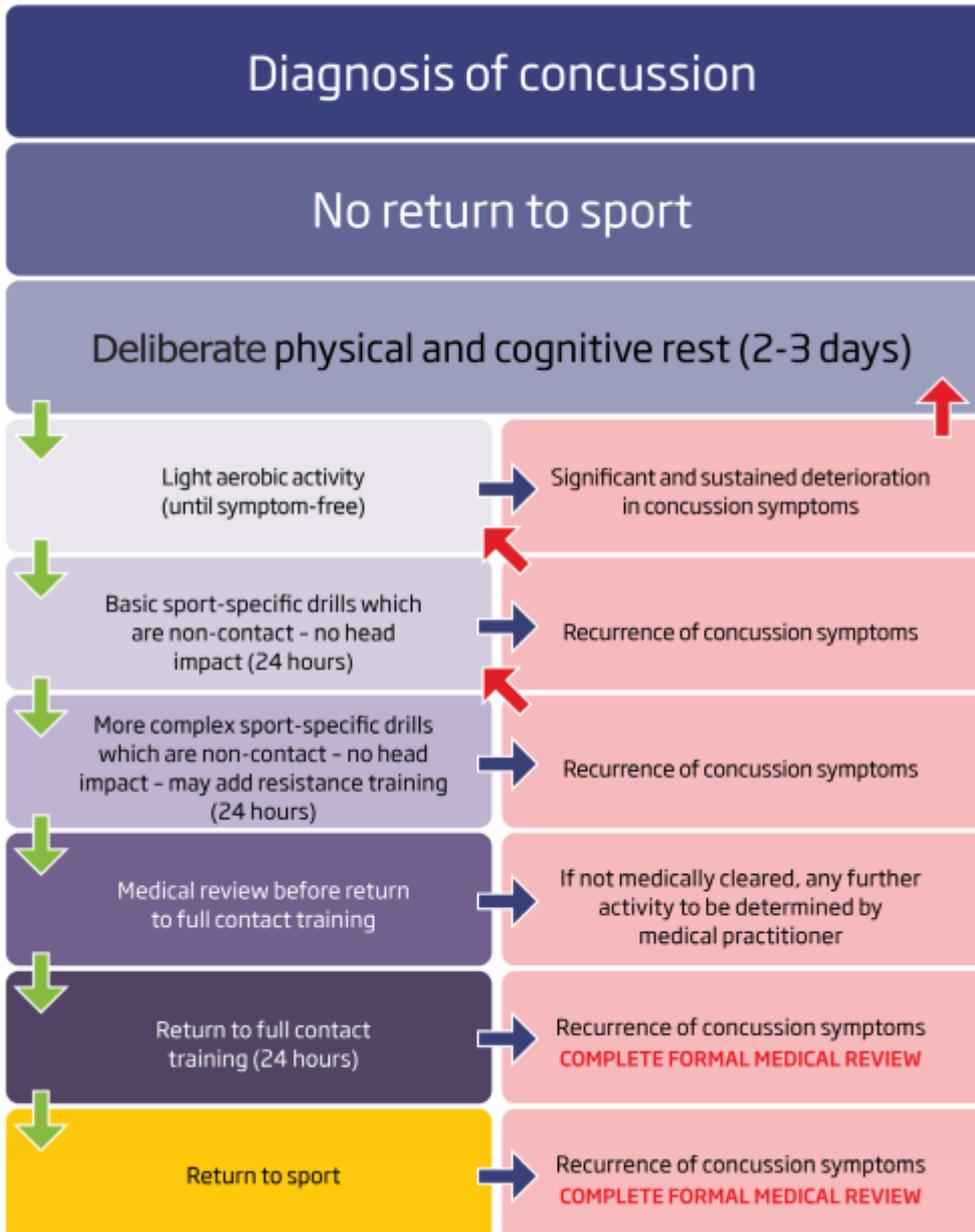

Once the flow of blood has been stemmed, the cut or abrasion cleaned and covered and any blood-stained clothing and equipment cleaned or replaced, the player may return to the field and continue play. If bleeding cannot be controlled and the wound securely covered, the player must not continue in the game.
