COVID update-

Good afternoon,

The NSW Government has announced the extension of restrictions across NSW until 11:59pm Friday 16 July 2021.

The same restrictions currently in place across both Greater Sydney including the Central Coast, Blue Mountains, Wollongong and Shellharbour and regional NSW will remain in place until this time.

For clarity the extended stay at home restrictions mean that no community sport (either training or a match) can proceed in Greater Sydney including the Central Coast, Blue Mountains, Wollongong and Shellharbour while under these restrictions.

Please refer to our communication of **29.6.21 for full details** of the current restrictions for community sport across the state.

People across NSW should only enter Greater Sydney for essential purposes.

The NSW Health COVID-19 website is available via this [link](#).

We reminded you all to review your COVID-19 Safety Plans and ensure they are up to date. We also encouraged you to **consistently** review the Public Health Order and stay up to date with the latest changes on the NSW Government COVID-19 website.

We will continue to monitor the situation throughout the State, NSW Health, the Office of Sport and Sport NSW. We will communicate any future recommendations, changes to COVID-19 Safety Plans or Public Health Orders that impact on our sport.

Best wishes and stay safe.
